Foreword

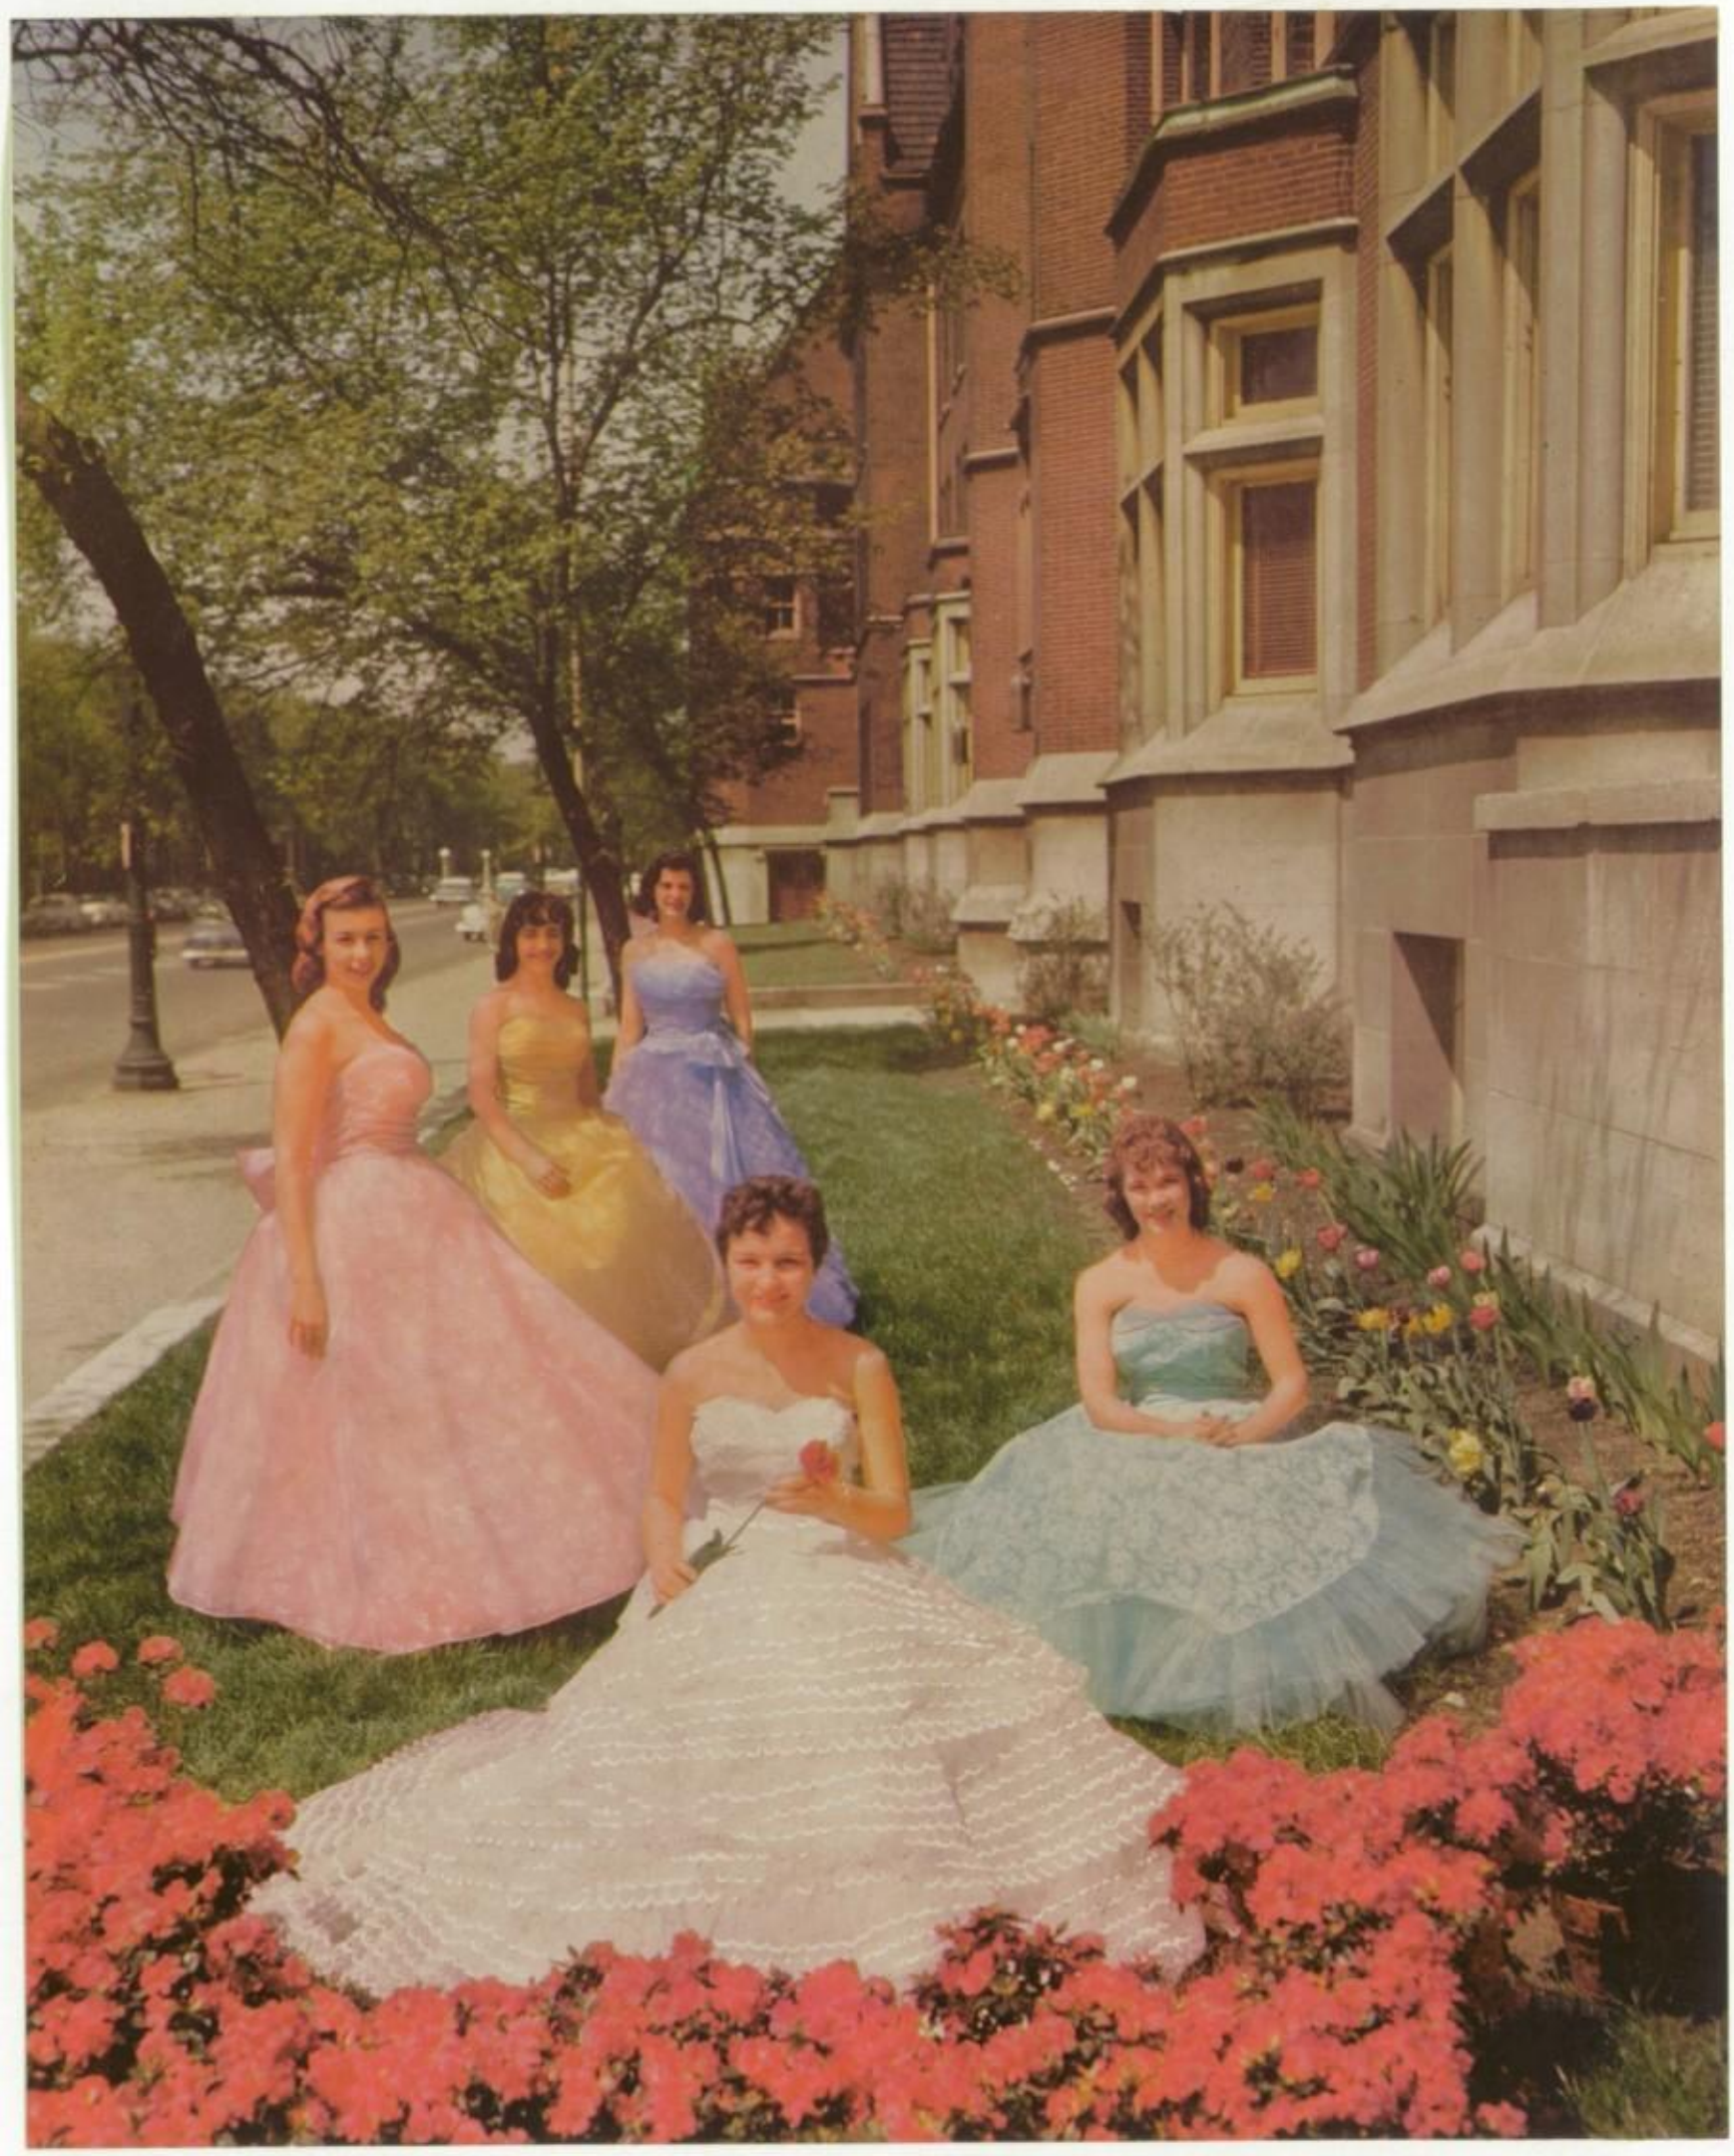
Lake View High School, being the center of a growing and thriving community, has contributed greatly to the spiritual, commercial, industrial, and educational development of the area. It is Lake View's duty and privilege to foster such ideals through its policies, its activities, and its relations with the community and its leaders.

Spiritual training plays an important role in the growth of a community and the individuals who reside within its bounds. Lake View's churches and synagogues are not only centers of religious instruction; they are also the centers of community projects, various activities, and suitable entertainment facilities. The religious organizations, through their teaching, create an inner strength which is typified by strong character, good morals, and an intelligent set of values which are necessary qualities of the mature and valuable citizen.

The commercial and industrial aspects of the Lake View region are interdependent. The industries of our district produce the necessary commodities for the community's economy. These products are then made available to the general public through the commercial interests. The Lincoln-Belmont shopping center is one of the largest centers of this kind in the city of Chicago. Such commercial developments are necessary for the continued prosperity and growth of our flourishing region.

The education of our youth is the paramount objective and responsibility of our school. Lake View High School is truly the heart of the community, for the young people who pass through its portals are the homemakers, the workers, the businessmen, the leaders, and the builders of a greater and more eminent Lake View.

The Red and White staff of 1957 hopes that this annual will bring about a greater appreciation of our community and the wonderful opportunities and potentialities embodied by our thriving Lake View district.

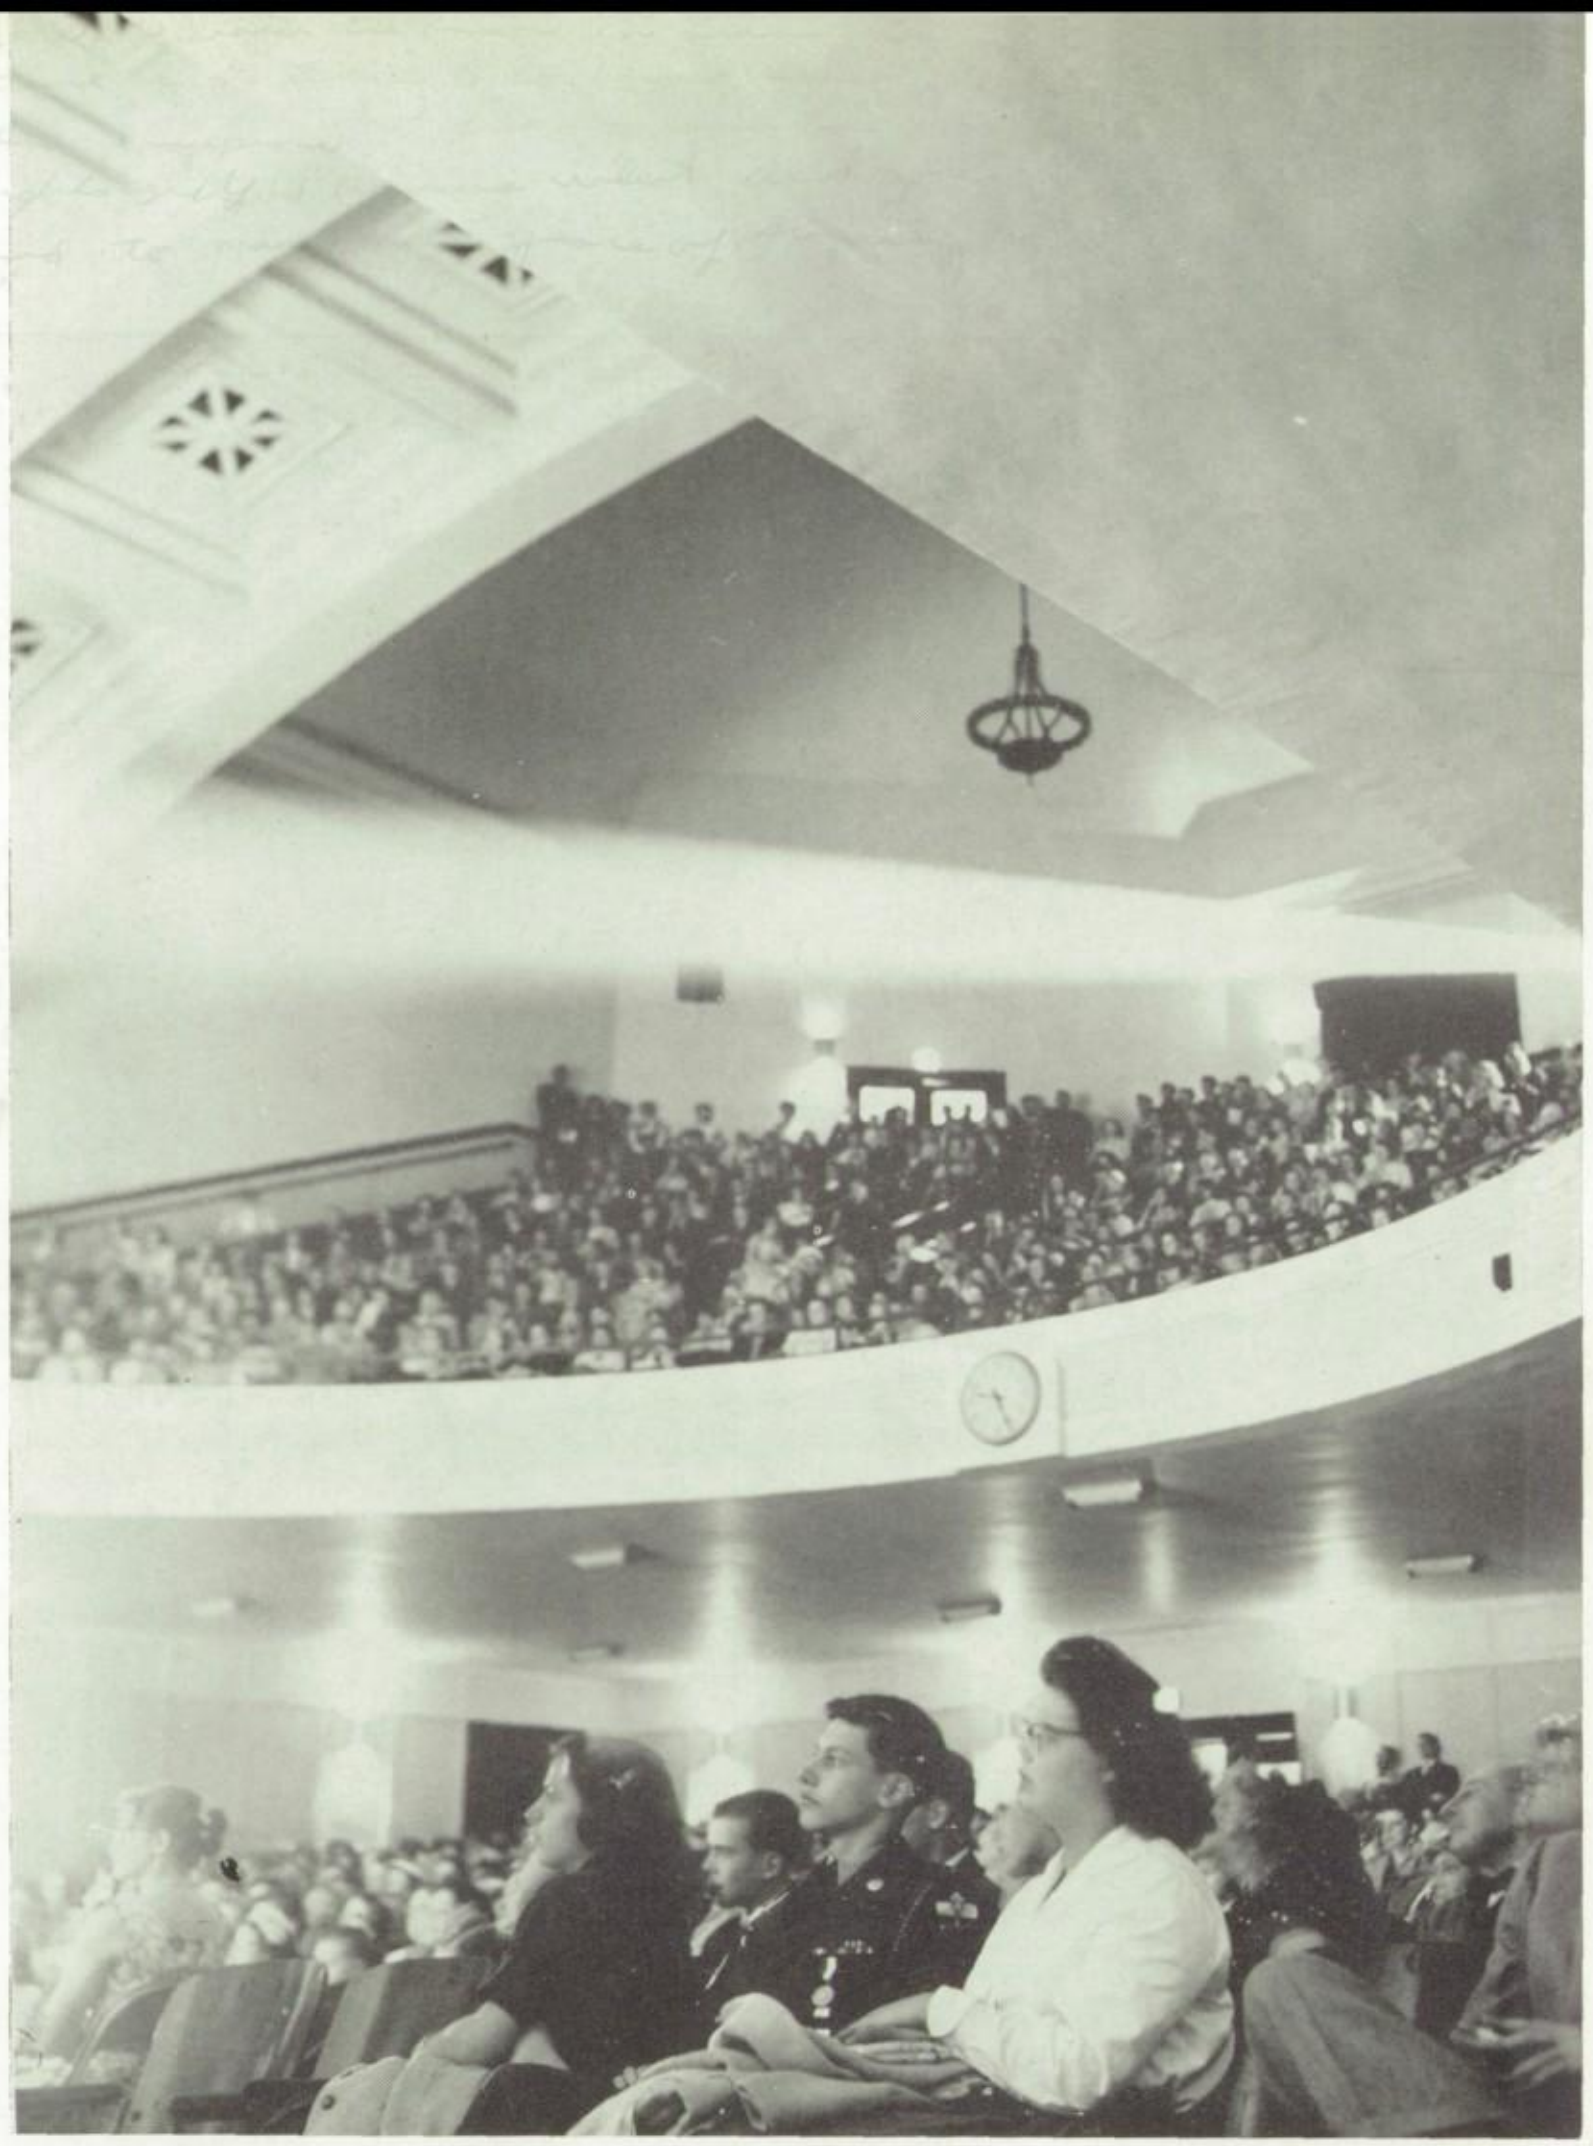


Mayor Daly

Our community was recently honored by the presence of Mayor R. Daly, the leader of the large thriving community of which we are a part. He came to Lake View High School to attend the convention of the Chicago District of Student Councils, and to express his faith in the students of today as the leaders of a still greater Chicago of tomorrow.

Cake Baking Contest

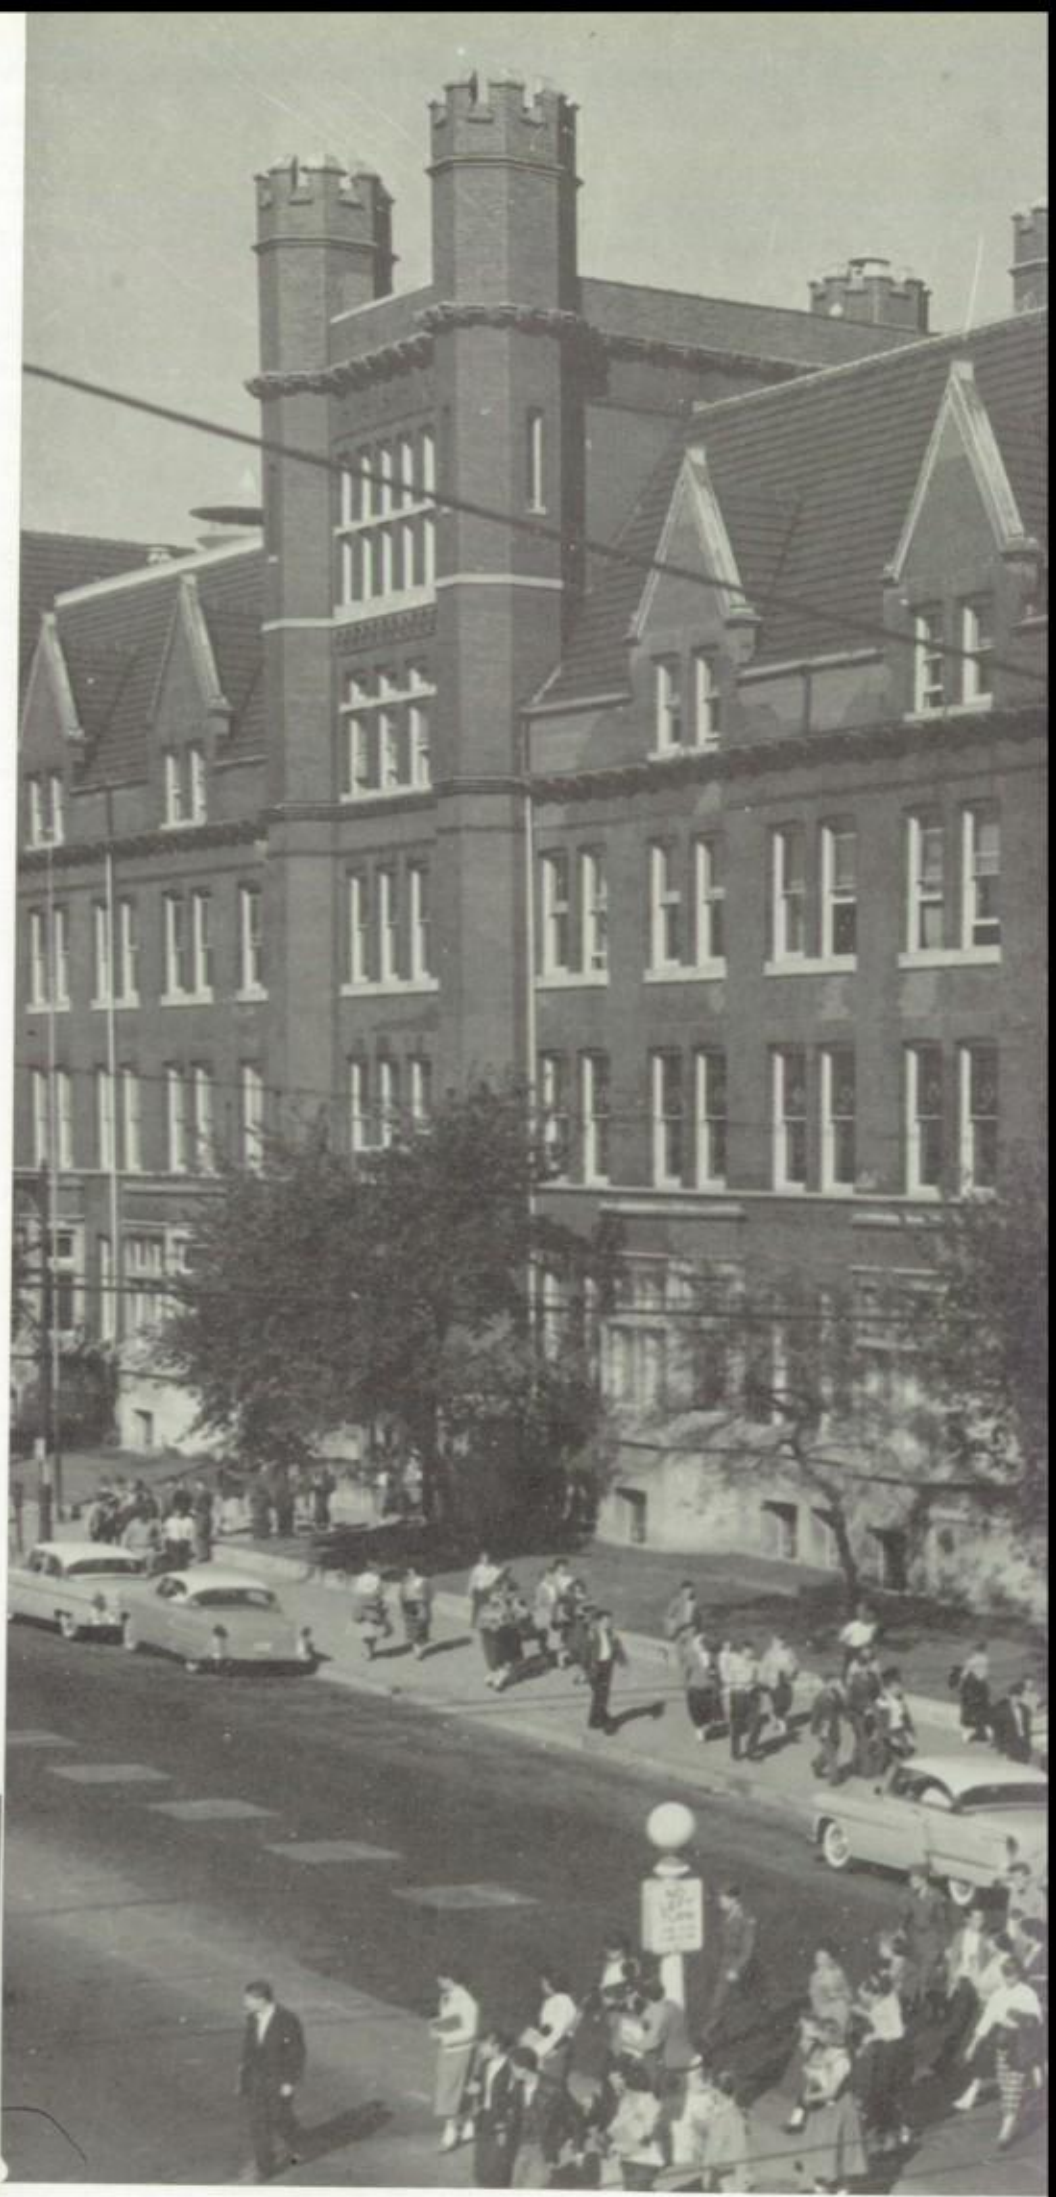
After much deliberation, the judges of Lake View's annual cake-baking contest announced that the lucky winner of the first prize cashmere sweater was Anita Nelson. Second prize was won by Margaret De Jong, and third prize by Betti Strey.



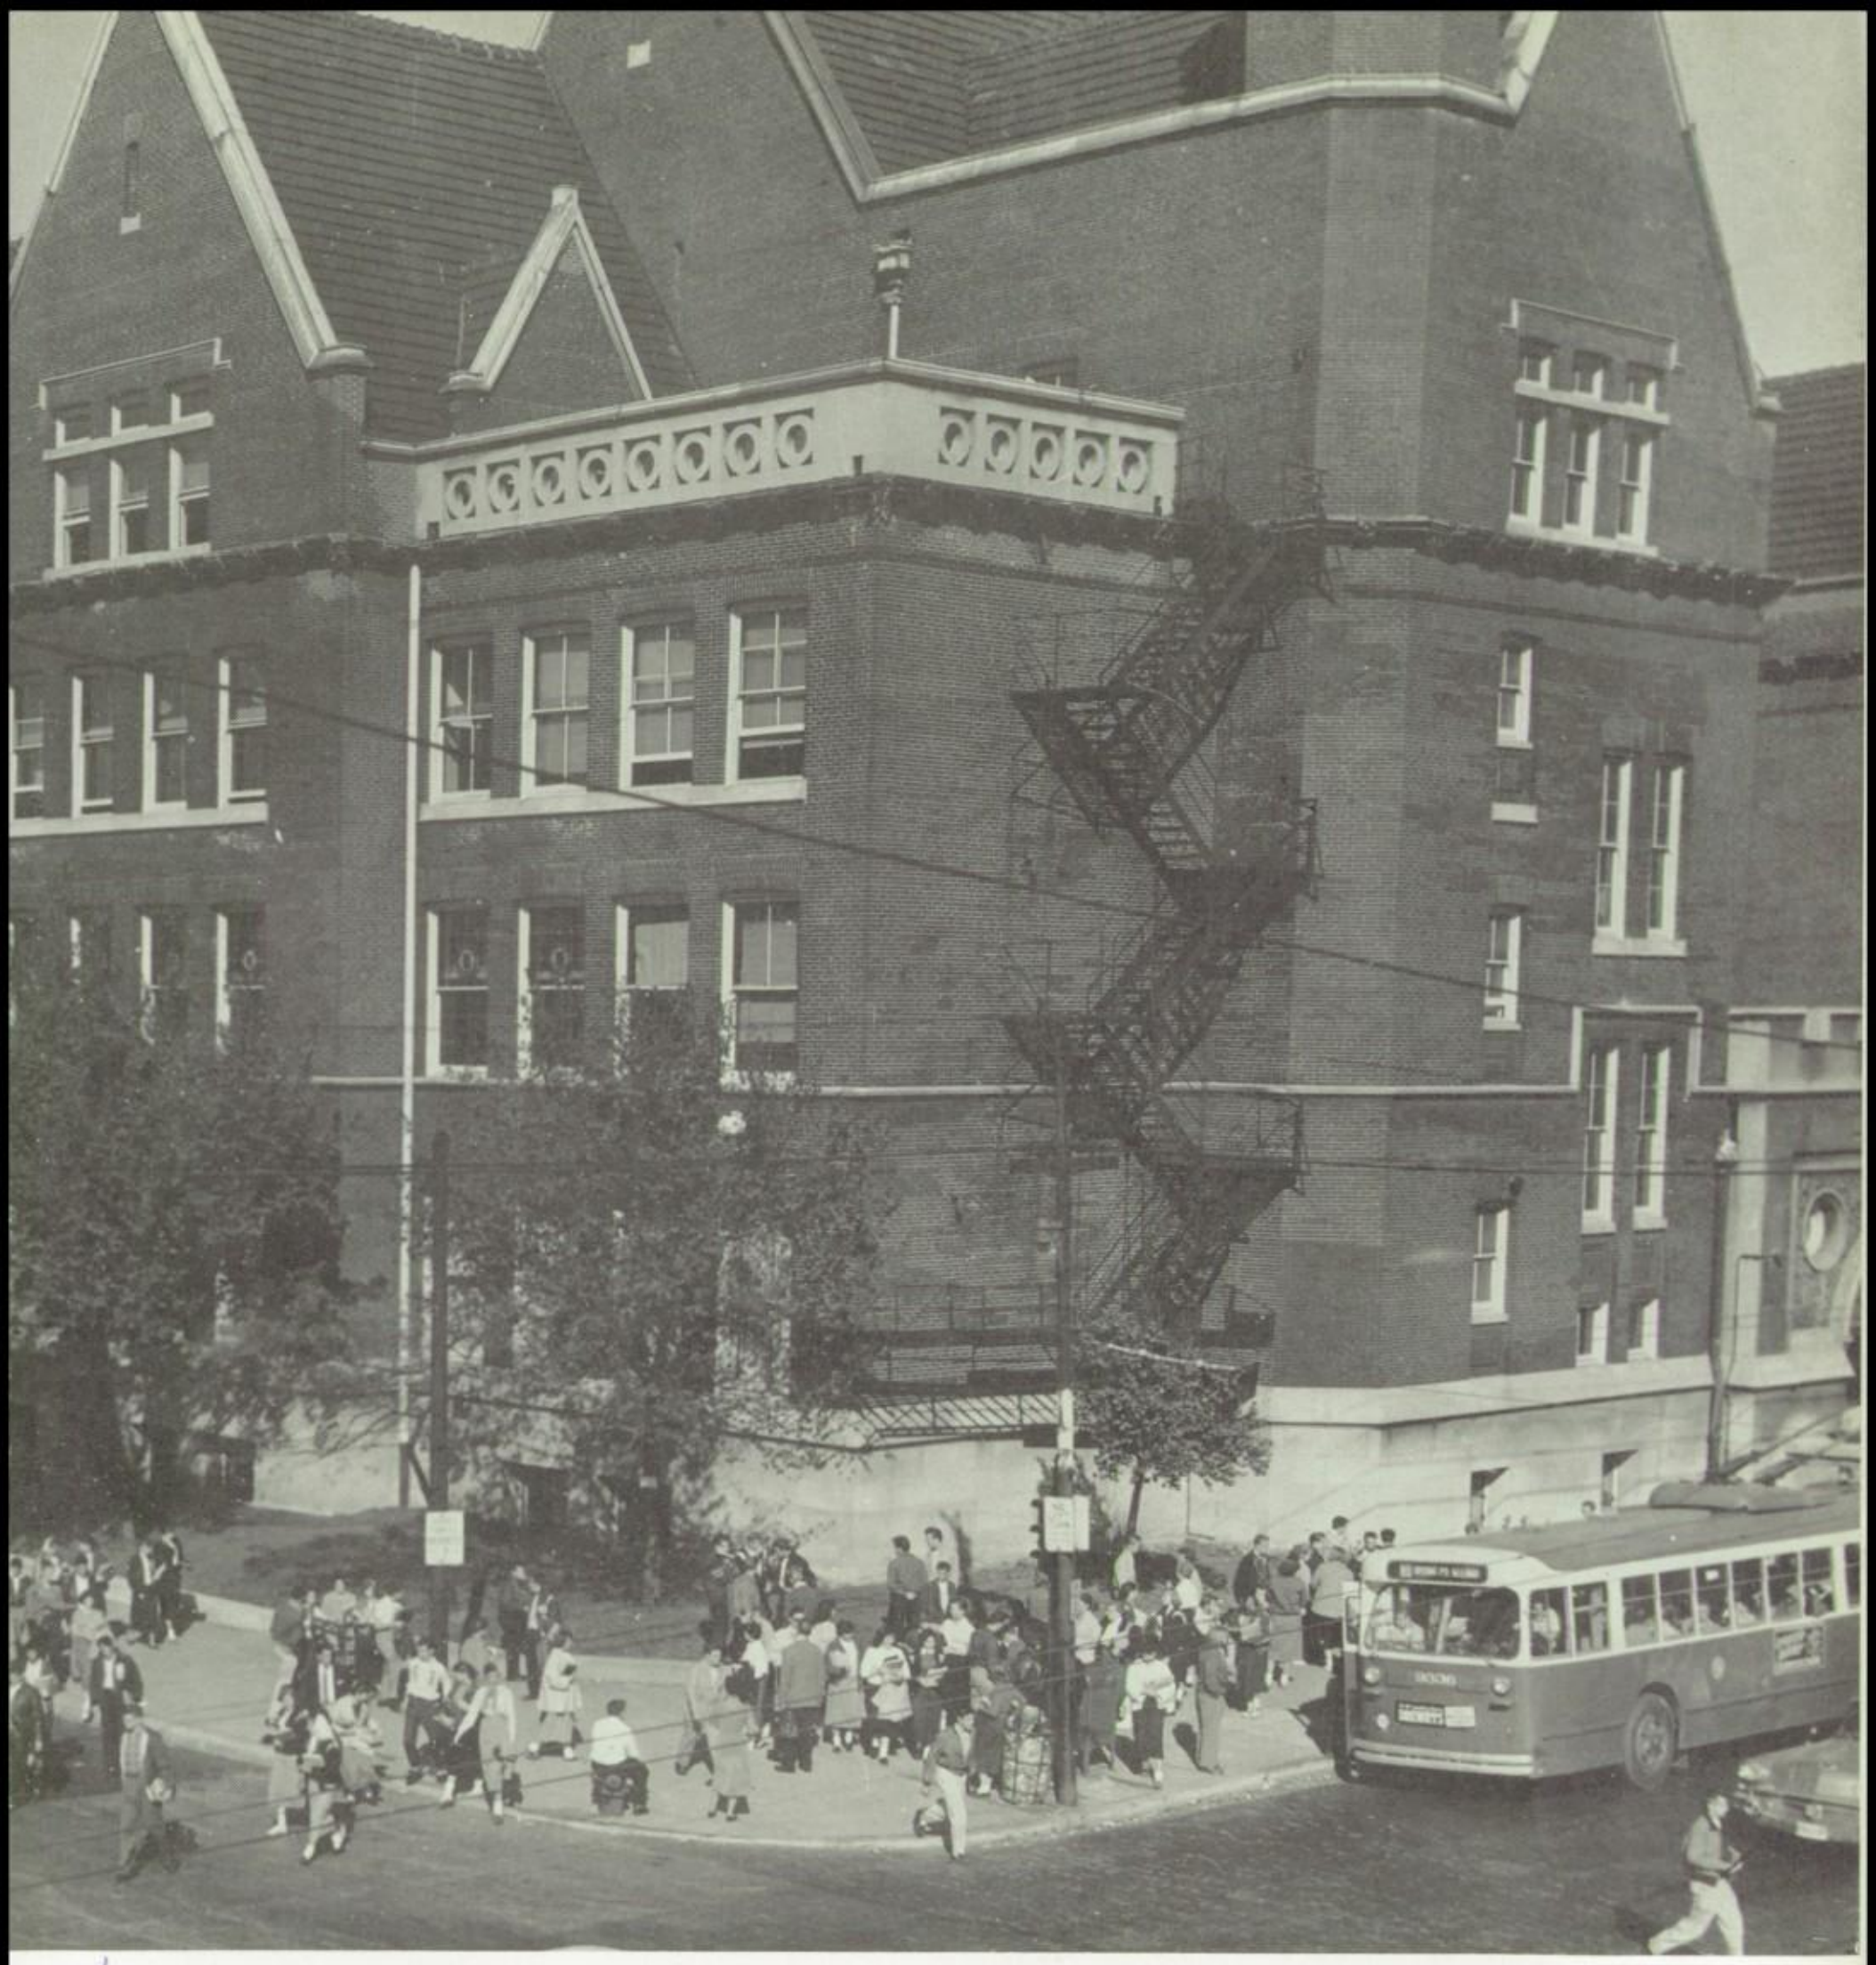
Lake View High School – A Center of Community Activities

Lake View High School has sponsored many activities which have proven to be of interest to the entire community, Mayor Daly's recent visit was a highlight of the year's activities, as well as the cake-baking contest held in connection with the Y.M.C.A. County Fair.

The Deagan Building—A Thriving Industry of our Growing Community.



Chicago's largest apartment building graces the Lake View community.



Kenny,

Of all the great boys I know you are the ——— besides for that I love you. Best of luck to a guy who is "tops" you deserve everything

Love

Iris

The spiritual heart of the Lake View Community is tended by the many religious institutions representing the faith of its members. Worshipping and giving thanks to God who has so blessed this growing community as a natural act of the grateful people.

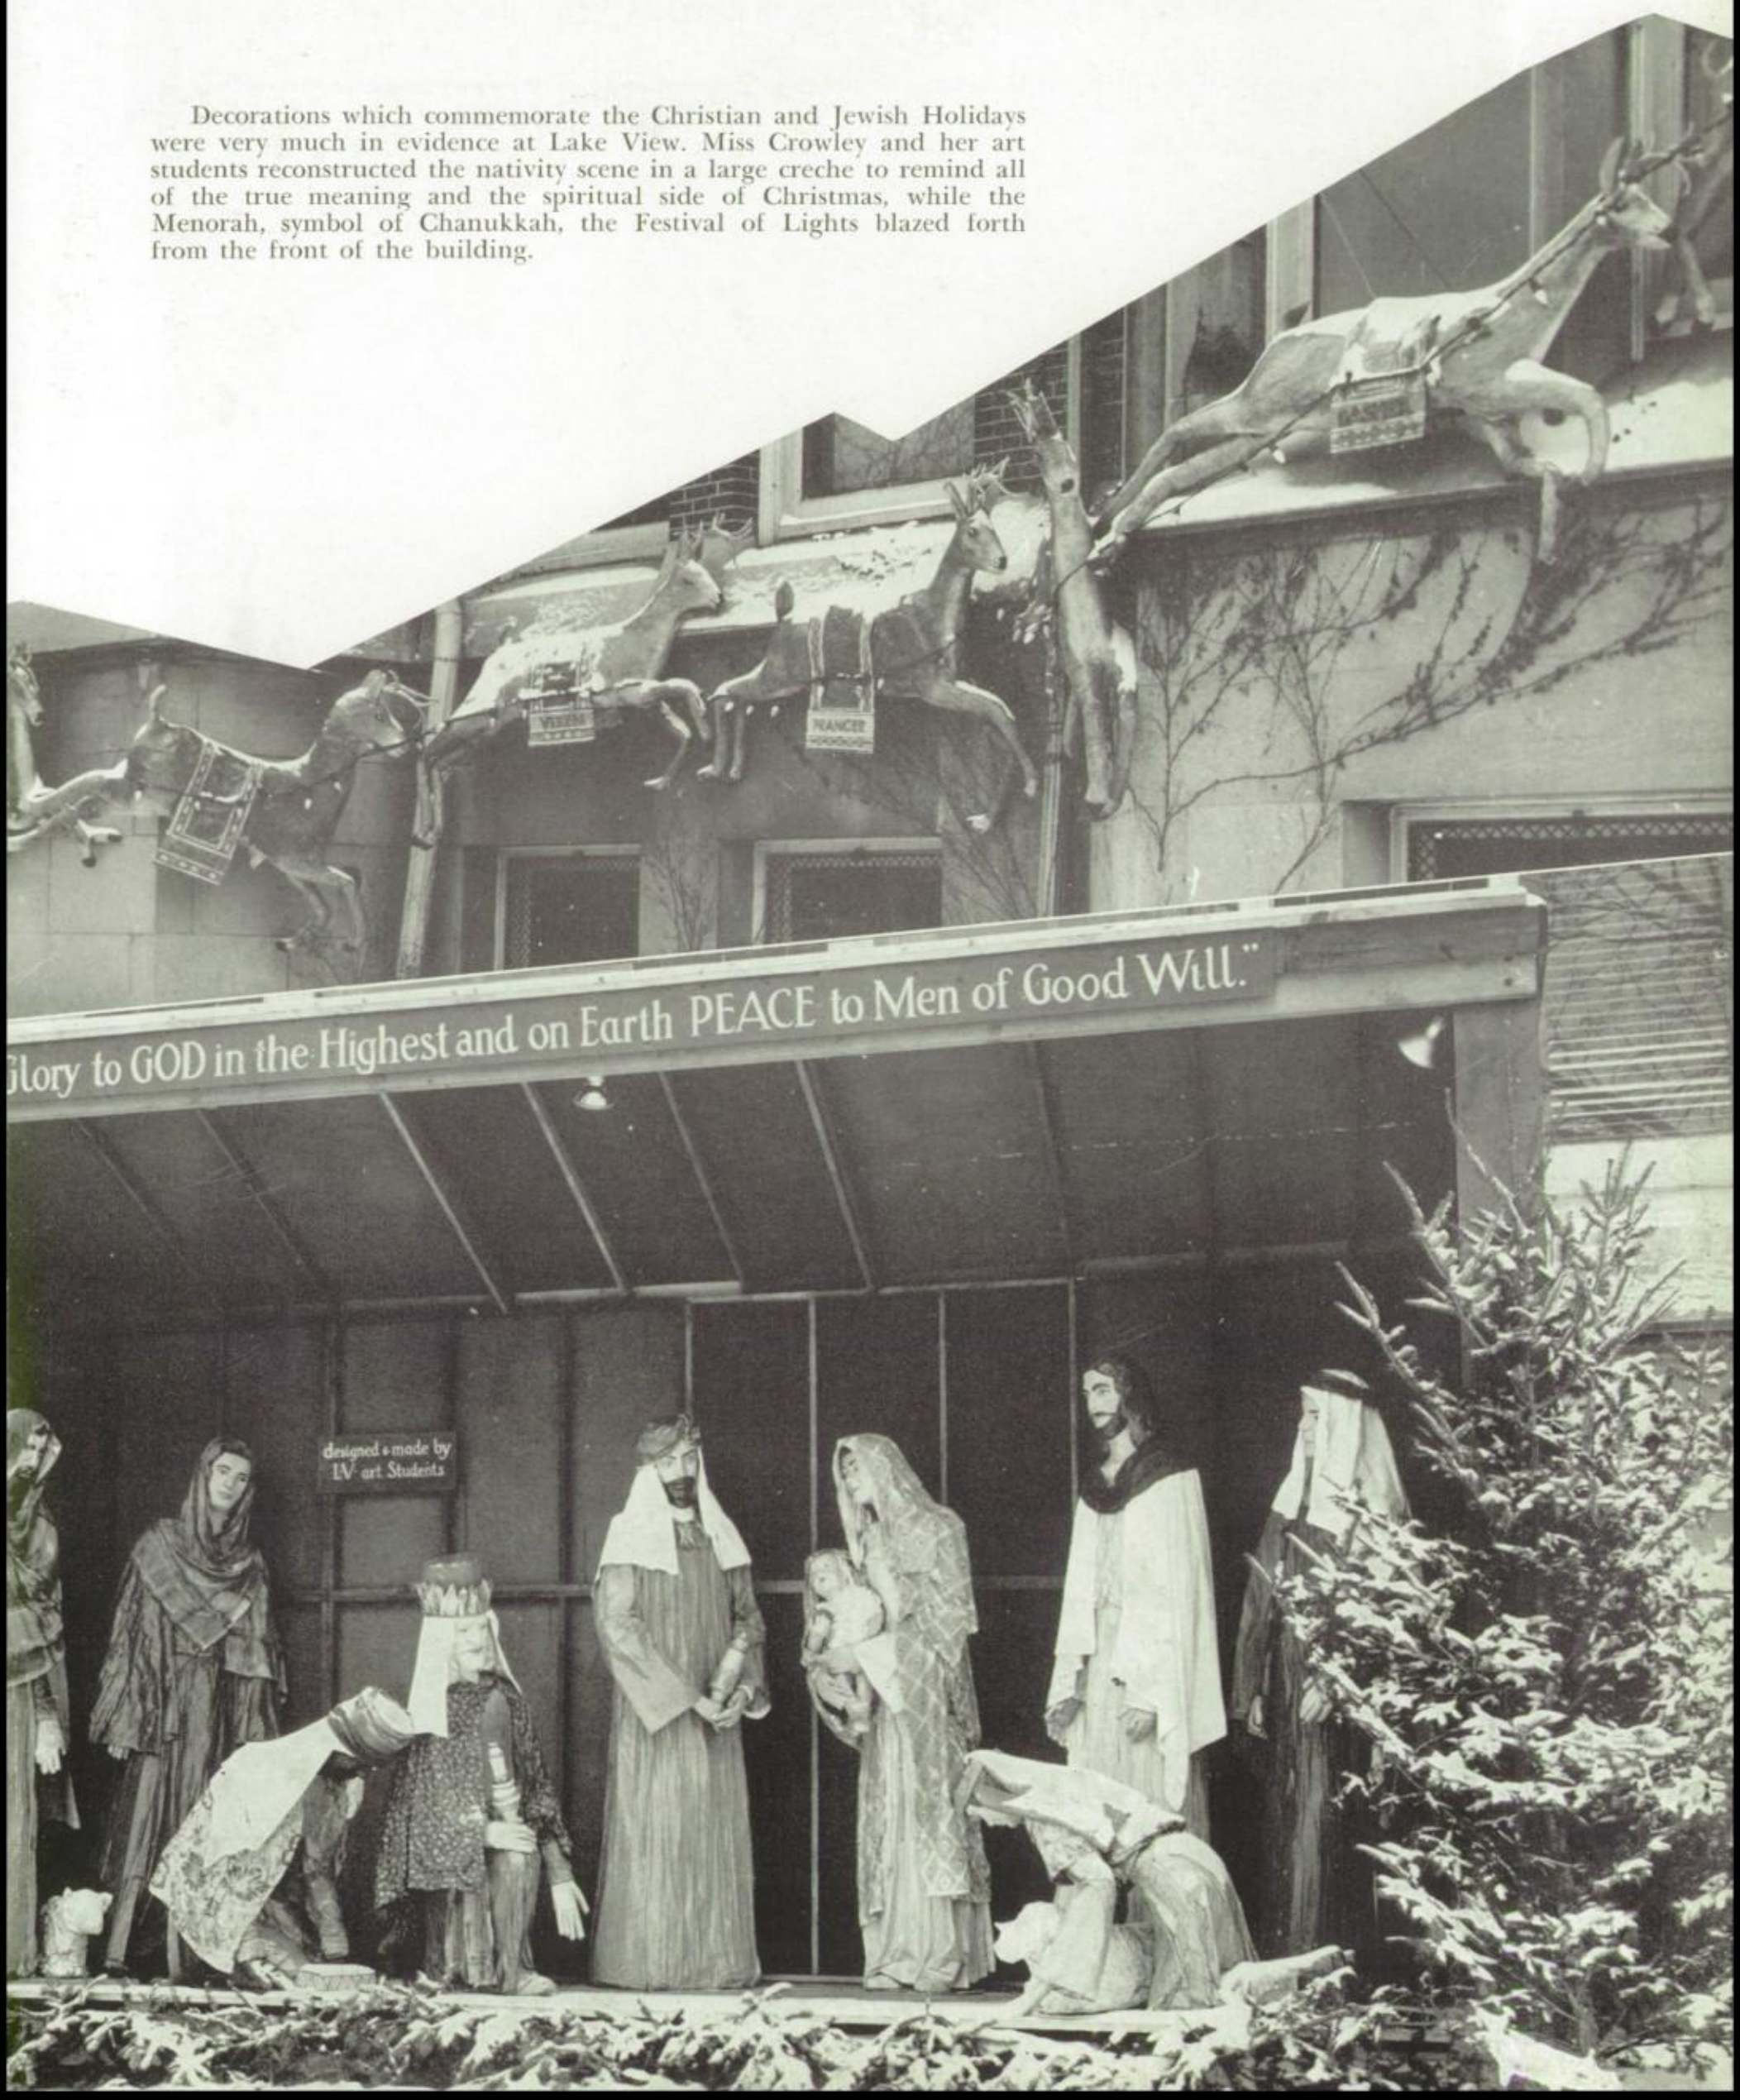
FESTIVAL OF LIGHTS
CHANUKKAH

Lake View Dresses for the Holidays

Decorations which commemorate the Christian and Jewish Holidays were very much in evidence at Lake View. Miss Crowley and her art students reconstructed the nativity scene in a large creche to remind all of the true meaning and the spiritual side of Christmas, while the Menorah, symbol of Chanukkah, the Festival of Lights blazed forth from the front of the building.



The Leaders of Our Thriving Community

Mr. Boyd, Mr. Daniel, and Miss Urquart—the leaders of our thriving community.

In our community, the most important person, and father to Lake View students is Mr. J. Trimble Boyd, our principal. During his administration, he has inaugurated many activities which have become a part of Lake View's tradition.

Mr. Daniel, our competent and efficient assistant principal, is the one who keeps the institution of Lake View High School running smoothly. If it were not for his untiring efforts, many minute details would be left undone.

The head of the district office in charge of Lake View is Miss Margaret Urquart, District Superintendent. It is her duty to handle all problems which arise in district five.

Through their efforts, they have helped to raise and maintain the high standards of Lake View.

ANITA NELSON

Lake View High School is the true heart of the community, for its paramount objective is to train its youth for their roles in tomorrow's community.

It is the school's responsibility not only to teach its youth the basic knowledges, but to give them poise in social contacts.

The highest ideals of the school are to graduate young people who are prepared to enter the adult world as poised and capable citizens who must be able to assume the leadership of that world. We are grateful to our school for its help and guidance in moulding those leaders.

Speaking with Mr. Boyd at the Main Entrance of the school are: Mrs. H. J. Dupon, President of the P.T.A., Mr. Charles Weismann, President of the Lake View Kiwanis Club, Mr. William Keim, President of the Lake View Lions Club, and Rev. William Roberts, President of Lake View Citizen's Council.

Efficiency—The Keynote of Our Maintenance Staff

ENGINEERS

The maintenance of our school is under the able direction of Mr. Andrew E. Christopherson, the chief engineer custodian. Along with his very efficient staff, Mr. Christopherson sees that the proper heat, light, and ventilation are provided for the health of our students. He also sees to the upkeep of our school, making sure that needed repairs are made quickly and properly.

Mr. Christopherson is aided by a most able staff. Mr. Charles Busch Sr., is the first assistant engineer custodian and aids Mr. Christopherson directly. Russell Dunn and Robert Heins are second assistant engineer custodians. Mr. Alex Mijchalk Sr. and Arthur Kitson are the firemen who operate the giant boilers that heat the building.

Although classes are the most important part of any high school, it is wise to blend study with fun and group activities. In the world that we will soon enter the opportunities for creative leisure will be steadily expanding. Here at Lake View we have long believed in the importance of a broad program of extra-curricular activities, to fit the varied interests of our many energetic students. By finding his own interests in early life and gaining the valuable experience of working and playing with his fellows, each of our students is better able to participate in and contribute to the affairs of his community now and in adult life.

May Festival Highlights

"Round and round the '48" was the theme of this year's May Festival. We took a breezy look at all of our great country in entertaining numbers presented by our girls' gym department, ranging from the

exotic eastern island to a ranch in the West. Indeed, in all '48 states you cannot find any beautiful girls to compare with our lovely queen, Diane Zimay, and her gracious court.

National Honor Society—
A Goal Toward Which We Strive

NATIONAL HONOR SOCIETY

The National Honor Society is the pinnacle of high school achievements. Its members are students who have maintained high scholastic standards and who have unselfishly contributed their time and efforts to school activities.

Here at Lake View with the indispensable aid of Mrs. McMillan, its sponsor, the National Honor Society works on many projects for the betterment of the school. This work is well organized with committees, such as the scholarship committee and project committee to work on each project.

The first and most memorable activity of the National Honor Society is the Mothers' Tea. It is held every semester after the induction ceremony. Every detail of this festive occasion is carefully planned by various committees. The decorations, refreshments, and entertainment are always perfect, and the mothers consistently have an enjoyable time.

Production Through Hard Work

The year book of Lake View High School is a memento for the graduates to keep through the years. Compiling this book is serious work to everyone on the literary staff, for each year they strive to produce a book second to none.

The "Ad" staff is responsible for the solicitation of advertising which underwrites much of the cost of publishing our "Red and White."

The quality of this year's Red and White can be largely attributed to the hard work and perseverance of Diane Wentink, editor-in-chief. She has done an exceptional job in planning and carrying out the theme and format of our yearbook.

Since September, Dolores Nystrom, the Red and White advertising and business editor has been diligently coordinating the soliciting of advertisements and the handling of financial matters so necessary to a successful publication. This excellent annual reflects the capable job she has done.

Every two weeks Lake View students are privileged to read one of the finest of high school newspapers, the Lake reView. It features news of student activities, editorials, gossip and humor. The journalism students who are on the staff get first hand experience under the guidance of Mr. Louis Skolnick, the sponsor of the publication. The Turnabout Dance sponsored by the Lake reView is an eagerly awaited event each year and not only spurs on the subscription drive of the paper, but is one of the first school-wide events that demonstrates the excellent Lake View school spirit.

The Concert Band

Captain Louis D. Walz

After many years of service under the inspirational leadership of Captain Louis D. Walz, the Band has built up an enviable reputation for always being eager to do its very best whenever called upon to play. With each passing semester the band, because of its many activities, grows in importance throughout the entire community. Work of this organization includes providing music for the football games, the annual Federal Inspection of the R.O.T.C., the Memorial Day and Veterans' Day Assemblies, the P.T.A. Parent Night program, pep assemblies, the R.O.T.C. Awards assembly and various special programs occurring during the semester such as the big "Youth on Dress Parade" assembly. Most important of all, of course, is the semi-annual Music Festival. This event, always a huge success, is eagerly anticipated by every member of the community; and it is hard to realize how much participation in it gives to each band member in the way of increased musical ability, experience, and appreciation.

Our thanks and congratulations go to "Cap" Walz and his talented students for their continuing display of perfection.

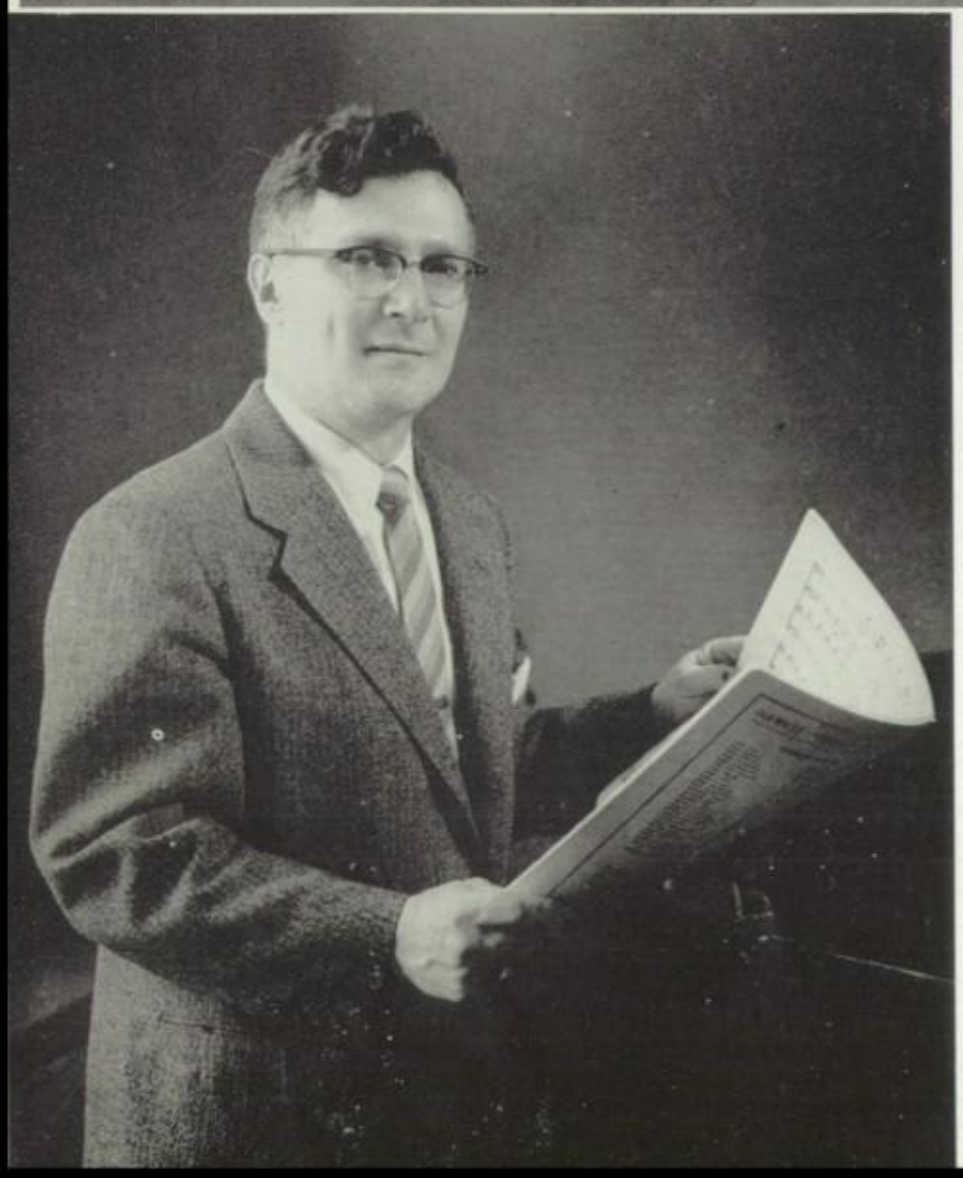
Concert Orchestra Encourages Good



Although the main aim of the orchestra is to produce a favorable sound, such things as responsibility, teamwork, and appreciation of music are learned as one progresses through the various orchestras. Under the conductorship of Irving R. Letchinger, the music of great composers is brought forth.

The Spring and Fall Concerts are always well attended and thoroughly enjoyed. At the assemblies and at graduation time the orchestra contributes toward making the programs successful. Such groups as the String Ensemble and the All-Girl Orchestra play for P.T.A. meetings, the May Festival, and other school functions.

After high school, many students enrich their lives by continuing to study music because of the inspiration they received from having been in the Lake View Orchestra.

The Special

Voices blended in breath-taking harmony is heard at each of the semi-annual concerts of the Special Girls' Chorus. Ninety-four girls dressed in formals of every color of the rainbow thrills and delights the audience.

The girls work hard all semester, and only under the capable direction of Miss Dorothy Hutchins can they achieve such perfection.

Some of the selections sung this year are, "The Sleigh," "It's a Big, Wide, Wonderful World," "All Through the Silent Night," and "Penny Parade."

Sonja Aghakahn was the featured soloist and Judy Evar did a wonderful job as accompanist.

Voices of the Advanced Chorus

Here at Lake View we can be justly proud of our outstanding Advanced Mixed Chorus. Under the able guidance of Miss Naomi Sweet, our Chorus has done a wonderful job in bringing to us each semester such beautiful selections as Handel's Messiah, Bach's Jesu Joy of Man's Desiring, and on the brighter side Jingle Bells.

This year a quartet has been added to our Chorus. At the fall concert, they

Junior Chorus Gives Younger Students

The Junior Chorus is composed of freshmen and sophomores under the able direction of Miss Alice Figg. Every spring and fall they present a beautiful concert with the other choral groups. The purpose of the Junior Chorus is to train the younger students in choral singing and to give them an appreciation of good music.

After months of practicing it is interesting to note the beauty of the blending voices which, not so long ago, were inexperienced. When called upon for

a musical presentation these boys and girls can provide a variety of songs, ranging from lusty spirituals to gay folk tunes.

With the passing of time, the progress of the Junior Chorus has been noted and appreciated by both students and faculty, and now enjoys a prominent place in the Music Department of Lake View. Lake View High School is indeed fortunate to have such a wonderful and capable choral director as Miss Figg, whose long and enriched years of experience makes Lake View's Junior Chorus one of the most outstanding choruses of its kind in the city of Chicago.

Working With Our Youth

PTA — Theme for 1956-1957

Ever stirring to promote a better understanding between teachers, parents, and students, the PTA is this year trying to establish an even firmer relationship between our teachers and our youth.

On the third Thursday of each month, a meeting is held in our lovely social room. Afterward, the teachers are invited to join the mothers for refreshments. A beautiful Faculty Tea was held November 15 to honor the teachers.

We are especially grateful to our PTA Board and those wonderful, hard working mothers who so nobly support all our activities and enterprises.

Thanks, also to those mothers who visited Dr. Willis and helped to speed up rehabilitation of our school.

Hurrah for our PTA, for its consistency in raising and maintaining the high standards of Lake View High School.

Service, Responsibility, and Citizenship Personified

Key Club

Service and comradeship are the goals of the Key Club. Since 1955, when the Lake View club was founded, our Key Club boys, with the invaluable help of their sponsor, Mr. Harrison, have been very successful in accomplishing these aims. Such projects as the sponsoring of a Korean orphan, the car wash, and the selling of basketball schedules on pencils, indicate how the club is carrying out its high ideals.

LIBRARY

The library offers a quiet place to enjoy the pleasure of reading. Here a student of Lake View will find a storehouse of knowledge, where the world's greatest works of literature await his perusal.

If a student needs information pertaining to his class assignment, the library has a number of reference books that will be useful. If he wants to find stories of adventure, mystery, or romance, there are books of both fact and fiction that will serve the purpose.

The librarians, Miss Goshkin, Mrs. Fisli, and Mrs. Paglini, are always willing to assist a student seeking information. Their efficiency and helpfulness make for a pleasant atmosphere in the library.

Service Is Their Business

Always on the job, is our excellent staff of hallguards and marshals. The hallguards are responsible for supervising messengers and students going to and from their lockers during class periods. The marshals see that the whole operation runs smoothly. This year's marshal system was headed by Steve Foster and Paul Seidlitz, who were advised by the faculty sponsor, Mrs. Tash.

Also on the job is our fine staff of audio-visual aids who see to it that all classes and assemblies have the films and slides that they need. These boys are guided by Mr. Wagner.

REGISTRATION AIDES

In the beginning of each semester, the overwhelming task of leveling classes and placing new students is accomplished smoothly by Miss Eiberg and the registration aides. Once the new semester finally swings into operation, it is imperative that plans for the program of the next semester be worked out. These plans are then gathered together into the Master Program which appears in the Lake re View about six weeks

before the new semester begins. At this time the registration aides meet again with Miss Eiberg and review their various duties. The aides learn to check all class tickets against the large control board to prevent overcrowded classrooms. It is also their duty to see that all the necessary operations and functions are carried out swiftly and smoothly.

The school as a whole is extremely grateful to the aides and to Miss Eiberg for all the services they have rendered. It is through their efforts that each student receives the best program schedule that is possible.

Mom—This Is Your Day

One of the outstanding pre-graduate events is the Senior Mothers' Tea. This tea gives the graduates the opportunity to say "thank you" for all the support their mothers have given to them. They have been our most enthusiastic cheerers as well as our constant source of inspiration during the four years at Lake View.

The proud mothers, with corsages presented by the graduates, are given the opportunity to chat with Mr. Boyd and Mr. Daniel. Along with this they are served light refreshments with background music provided by the orchestra ensemble. The music, blending with the thoughts of the graduates, seems to whisper, "Mom, I think you're wonderful. This is your day and I'm so proud of you. You've made all this possible. Thanks ever so much."

All too soon the Tea is over, but pleasant memories like these will linger for many years in the heart and mind of each graduate's mother. Yes, Mom, you've made it all possible.

Joy Echoes Throughout

The Christmas Assembly this year again reflected the genius of its director, Miss Kinsella, in a production that was truly inspirational. It depicted a holy season darkened by the unholy oppression of the noble Hungarian people by communist rulers. In contrast, the American Christmas with all its glitter and fun as well as its true religious significance was represented by a jolly Santa Claus and by a devout family who stretched their hands across the sea to their Hungarian brothers in sympathy, understanding and prayer that the true peace of Christmas would come to all men of good will.

Better Citizenship through Better Appearance

Beginning with the seniors on Monday, May 20, each class doffed bobby sox, blue jeans, and other casual attire for their Sunday best. Each student was pulling for his class to come out on top; but on Friday, when the seniors were proclaimed the winners, everyone agreed that the judges had made a wise choice.

Even more exciting than the announcement of the winning class, was the awarding of the $500 scholarship by Sheriff Lohman on behalf of Maurice L. Rothschild to Dorothy Hovantzi. Dot, a 4B, has been an outstanding student in scholastics and school activities as well.

Preparing for Community Leadership

PREPARING FOR COMMUNITY LEADERSHIP

On Friday, March 22, 1957, the 2600 students of Lake View voted for their favorite candidates in the All-School Student Council elections. The voting was done on machines supplied for us by the Board of Election Commissioners. The high point of the vigorous campaign was the speeches delivered by the candidates on the preceding day, in front of the entire student body. After listening to the various office-seekers, the students voted for those who, in their opinion, were the most qualified. All the races were close, especially that of president. Charles Gelman was declared the winner of the top office by a small margin. All in all, this year's election not only supplied us with capable officers, but also with valuable experience in the use of voting machines.

Distributive Education — Earning While Learning

Mr. Wayne Harrison

Mr. Wayne Harrison's classes in Distributive Education give the students first hand knowledge of various occupations. These students attend regular (required) classes, including civics and gym, in the morning.

During 3rd and 4th periods, Distributive Education classes are held. At this time discussions, question and answer, and reports are given.

The textbook, "Retail Merchandising," is designed to help the student learn the facts necessary to function successfully in the business world.

Some of the students leave for work after either 4th, 5th, or 6th period. This is only done under the knowledge and permission of Mr. Harrison, as he is the student co-ordinator.

In addition, Mr. Harrison assists students in acquiring positions, which they cannot quit without Mr. Harrison's permission. The student is required to have not under fifteen hours of work or more than twenty-five hours a week. The student is eligible to take this course for one or two semesters. As a result, two grades are given in the course, one for class work, and one from the employer. Also, three credits are given, one for working, and two for class work.

This year the Parents Teachers Association membership drive reached its goal of 2,000 members. This very admirable goal was reached through the efforts of the P.T.A. pages who secured memberships from the parents of the students in their divisions. Every page strives to make his or her division 100 per cent.

The PTA wishes to thank all those who helped to make this year's membership drive the most successful in its history.

ANDY JANETZKE

During our four high school years athletics play a major role in school life. What other activity offers so much enjoyment to both participants and spectators alike? Athletics not only offer us a great deal of pleasure, but also provide a necessary change from our daily studies.

Lake View has always had a great portion of her students take an active part in athletics. The boys' team and the G.A.A. enable many students to gain athletic experience. Students not actively participating can contribute just as much to school as the players themselves.

Athletics help teach us the fundamental lessons in building character, sportsmanship, and co-operation. By developing these qualities, we make ourselves worthwhile members of our community. The mere winning of the game is unimportant if we have become better adult citizens through our participation. When we engage in any sports with this attitude, we can never really be defeated.

Players: LeRoy Tornquist, Danald Townsend, Tom Forester.

IF THE CAUSE IS GOOD THERE ARE NO DEFEATS

Lake View's fighting Wildcats have completed another tremendously successful football season without a league defeat. For the past four seasons our grid stars have romped over Blue Division foes, rolling up 20 league victories in a row. Because of this fine record, Lake View has received much favorable notice in high school football circles. The Wildcats have developed into a league power!!!

Fourth Successive Championship for Fighting Wildcats

By another successful season, the Red and White can advance into the Public League's White Division. We hope to accomplish this if we win our fifth straight football championship in 1957.

This year's team, superably coached by Mr. Ray Jacobson, steamrolled over its league competition until finally downed by the Public League co-champion Austin. But words of praise cannot truly express the feelings of those of us who realize what a wonderful job the boys have done. The staunch forward wall of hard-charging linemen, such as Hernandez, Kostelecky, and Rodriquez, led the way for Rozycki, Schoeben, and Norton, to score for the Wildcats. Al Rozyski, the top prep scorer in Chicago, made a tremendous showing by galloping for **14 touchdowns.**

Next year promises to be another fine season, with Coach Jacobson expecting a dozen lettermen to return. With many stars gone, the Wildcat Eleven may expect a great challenge next fall. We know that we will meet this challenge with efforts equalling Lake View's fine past performances! ! !

FROSH-SOPH FOOTBALL TEAM

Although this year's Frosh-Soph did not have an impressive record, Coach LeRoy Jones feels that the boys on the squad profited from their experience. The team's record of four losses and two ties did not reflect their sportsmanship and teamwork which this team displayed during the season. Although we have not triumphed in winning, we have displayed sportsmanship and fair play in all games. Next year Coach Jones will improve this record, and we know he will continue to build fine players and men.

Lake View Teams Sparkle in Victory

Lake View's tankmen compiled an excellent record during the past season. Under Mr. Jacobson's coaching, our swimmers won more than half their meets, some by large margins. Although several seniors will be lost through graduation, we will still have the nucleus of a fine team returning next year.

The track team had one of their most successful seasons in many years. After a 2-1 indoor record, the Wildcat cindermen came through with a 5-4 outdoor record and a 4th place in the North Section. Outstanding on this year's squad were: Sigband in the 440, Cochenour in the 880, Timm in the pole vault, and Ross and Nichols in the high jump. Next year's team appears quite promising, with several lettermen to return.

The 1956-7 basketball season for Lake View. The varsity overall record was 13 and 7, including a 7-2 North Section record. This was good enough for a second place finish behind powerful Lane Tech. In the playoff game with Hyde Park, the Wildcats were nosed out in an overtime thriller.

Sparkplugs of this team were guards Jim Christopher and Bill Hackbert; forwards Bob Stopa, Chuck Saddler, and Don Townsend; and center Rich Nelson. Before mid-season big 6′ 8″ George Vonderheide was of help at center. This was Coach Lapin's second year at L.V., and he molded fine material into a winning organization.

With four rgular graduating, Coach Lapins looks forward to a tough rebuilding task, but we are confident he and the team will have another successful season.

Spirit and Teamwork - Key of Cagers

FROSH-SOPH BASKETBALL TEAM

Although our Frosh-Soph Basketball squad did not have a brilliant record in competition this year, they did show flashes of promise. Coach Lapins' tutoring will certainly lead them to the same high standards that all past Wildcat fives have held. The floorwork of Zimberoff, Rivera, and Gordon did highlight the season. This year can be considered a year of rebuilding, but we feel next season should be a promising one for Lake View.

BASEBALL TEAM

Spring means baseball in the air!! This season the Lake View baseball team continued the fine job done by its predecessors. Although they got off to a slow exhibition start, at this writing the "Ballhawks" have won 2 out of 5 league games. Coach Jones' team has suffered several one-run defeats early in the season, but we hope that these losses will have been righted by the time you read this. The hitting of infielders Jim Christopher, Larry Balabanow, and Leroy Tornquist, Catcher Tom Foerster, Outfielder Don Townsend plus the pitching of Jim Heyden and Ken South provide most of the punch in this year's team. With only South and Balabanow returning from this group next season, Coach Jones may have even a more difficult job next year.

G.A.A. BOARD

Seated—Barb Belletini, Linda Brown, Carol Swanberg, Carol Gnoske, Ann Wittner, Dorothy Hovantzi, Deanne Hansen, Marge Kaplow, Mary Lou Steiner

Standing—Carol Washburn, Mary Jo Marshall, Ruth Peterson, Pat Insco, Judy DeVita, Diane Zimay, Margaret De Jong, Janet Mossberg, Elaine Garand, June Pomp, Darlene Cyr, Maria Ingraffia, Diane Wentink

The G.A.A. Board is composed of 25 girls who organize all G.A.A. activities. A picnic, a bowling league, and splash parties are some of the many projects they sponsor during the year.

Athletic Groups Promote Community Spirit

LETTERMENS' CLUB

The Lettermen's Club is an organization which gives recognition to those boys who have earned awards through participation in athletics. These boys, because of their skill and hard work, received letters in one of the five major sports. To be a member of this organization is an honor which all boys seek. It is a notable fact that many of our lettermen rank as high scholastically as they do on the field.

Dip Around The World

Spain, Arabia, China, Italy, thse were just some of the places we visited when the Catalinas took us on a "Dip Around The World." This event takes place annually around Christmas, and is under the able direction of Mrs. Evelyn Landt. The girls work out their own choreography and design their own costumes. Much time and energy are devoted to each show to make it one to be remembered.

The synchronized swim class itself is run like a regular gym class except for pool twice a week and includes better than average swimmers. Mrs. Landt instructs the group each week in the mechanics of timing in different stunts and strokes as well as how to improve our swimming.

Tryouts are held once a year and the qualified swimmers are chosen by the "Catalinas" themselves.

Keeping the Spirit Alive

KEEPING THE SPIRIT ALIVE

Rah! Rah! Yeah Team! This cheer and dozens like it can be heard throughout the Lake View football and basketball seasons, cheered and twirled by our beautiful corps of cheerleaders and baton twirlers. They are aided by Miss and Art Kitson who are anxious to demonstrate that Lake View High School is not only a school of champs but also has the spirit behind them.

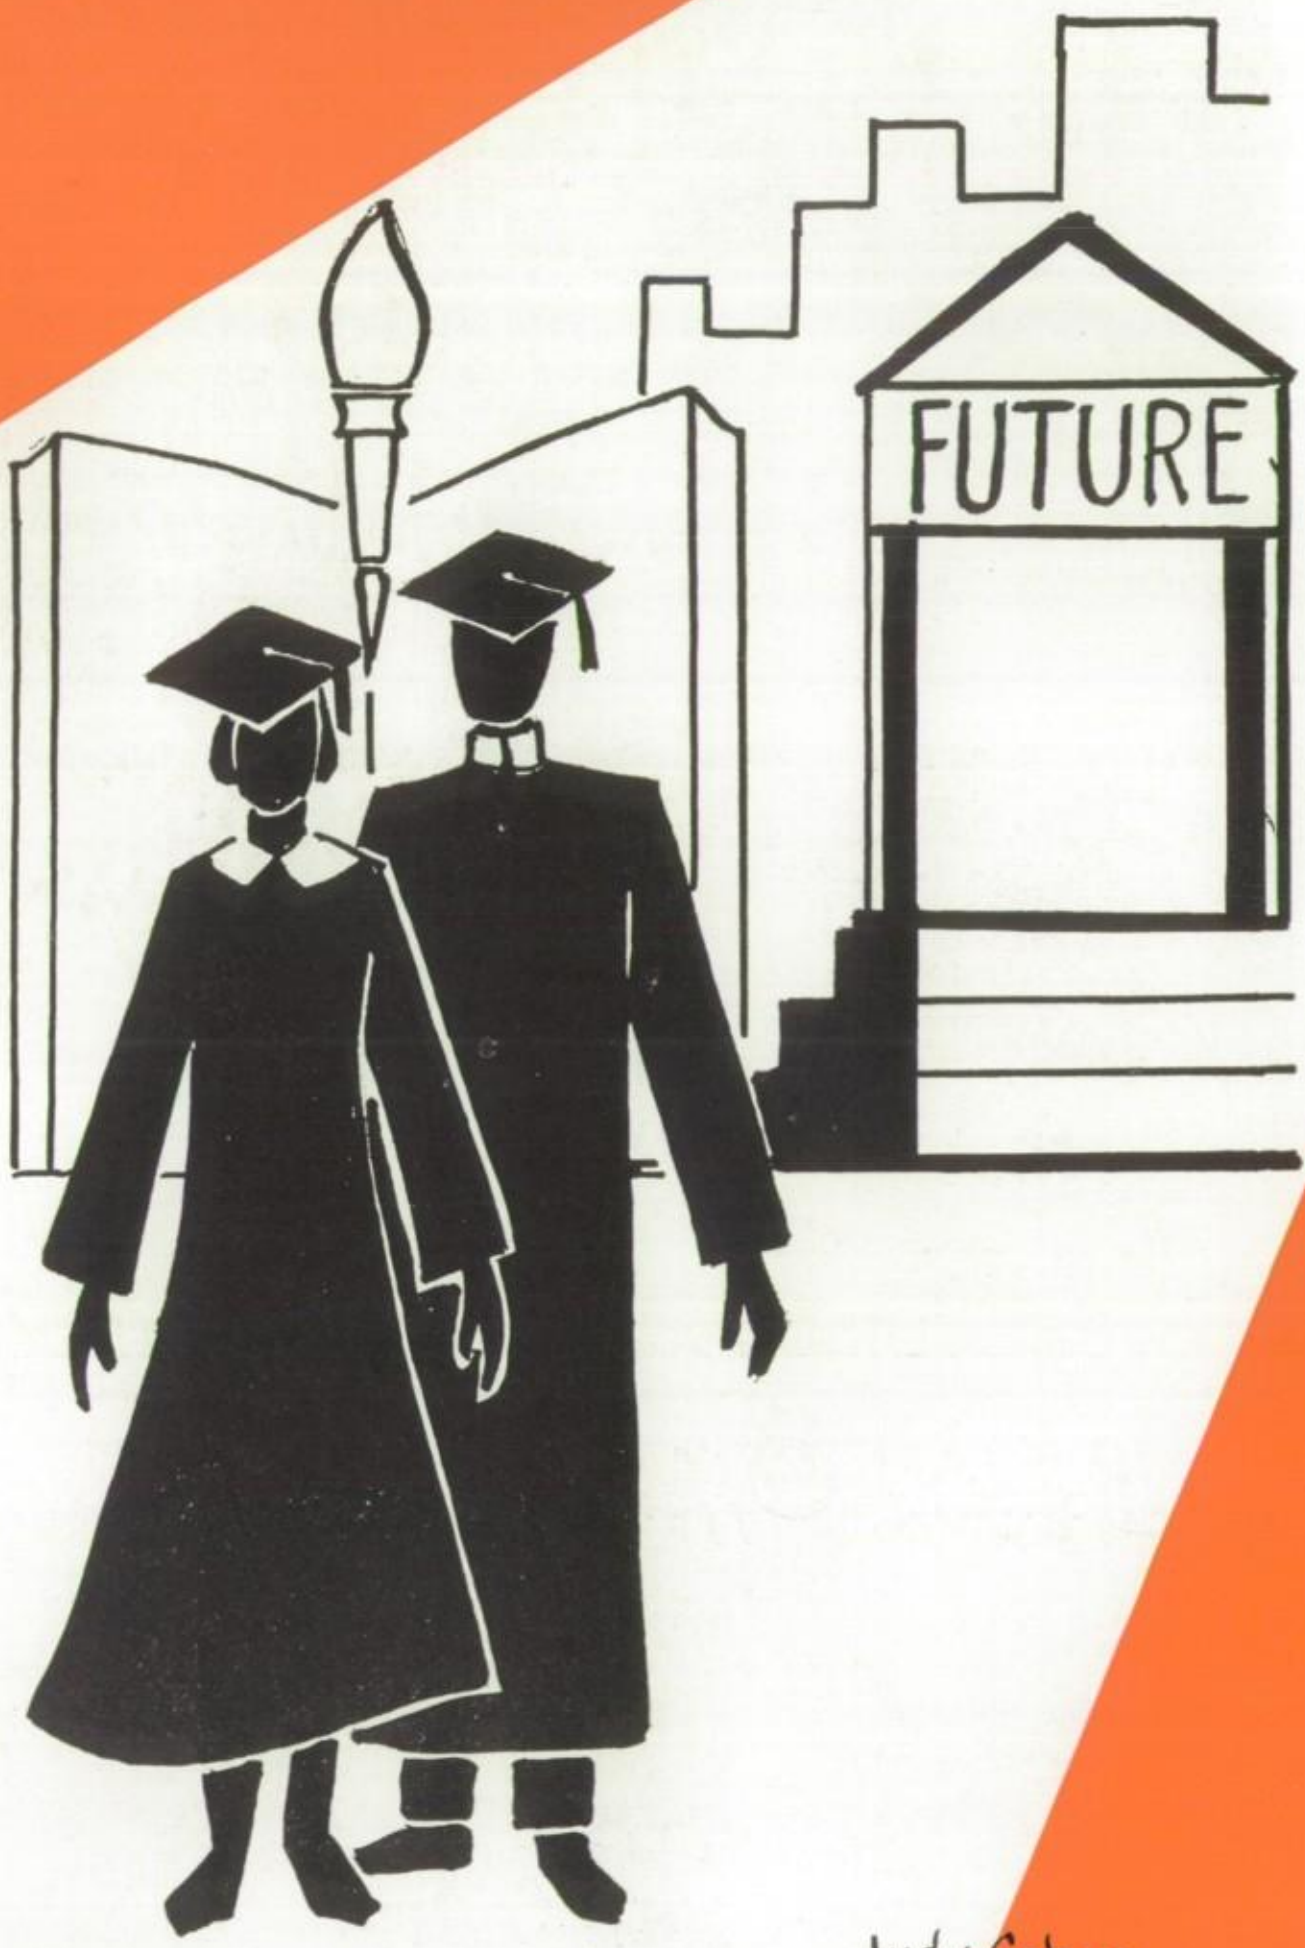
Each semester, the Girls' Athletic Association sponsors a bowling league, open to any girl, freshman through senior. The league meets every Tuesday afternoon at the Lake View Alleys. In addition to fourteen weeks at the start of the season.

When competition ends, trophies are awarded for first and second place and for high average. The girls who participate enjoy it immensely, and many new friendships are formed during the year.



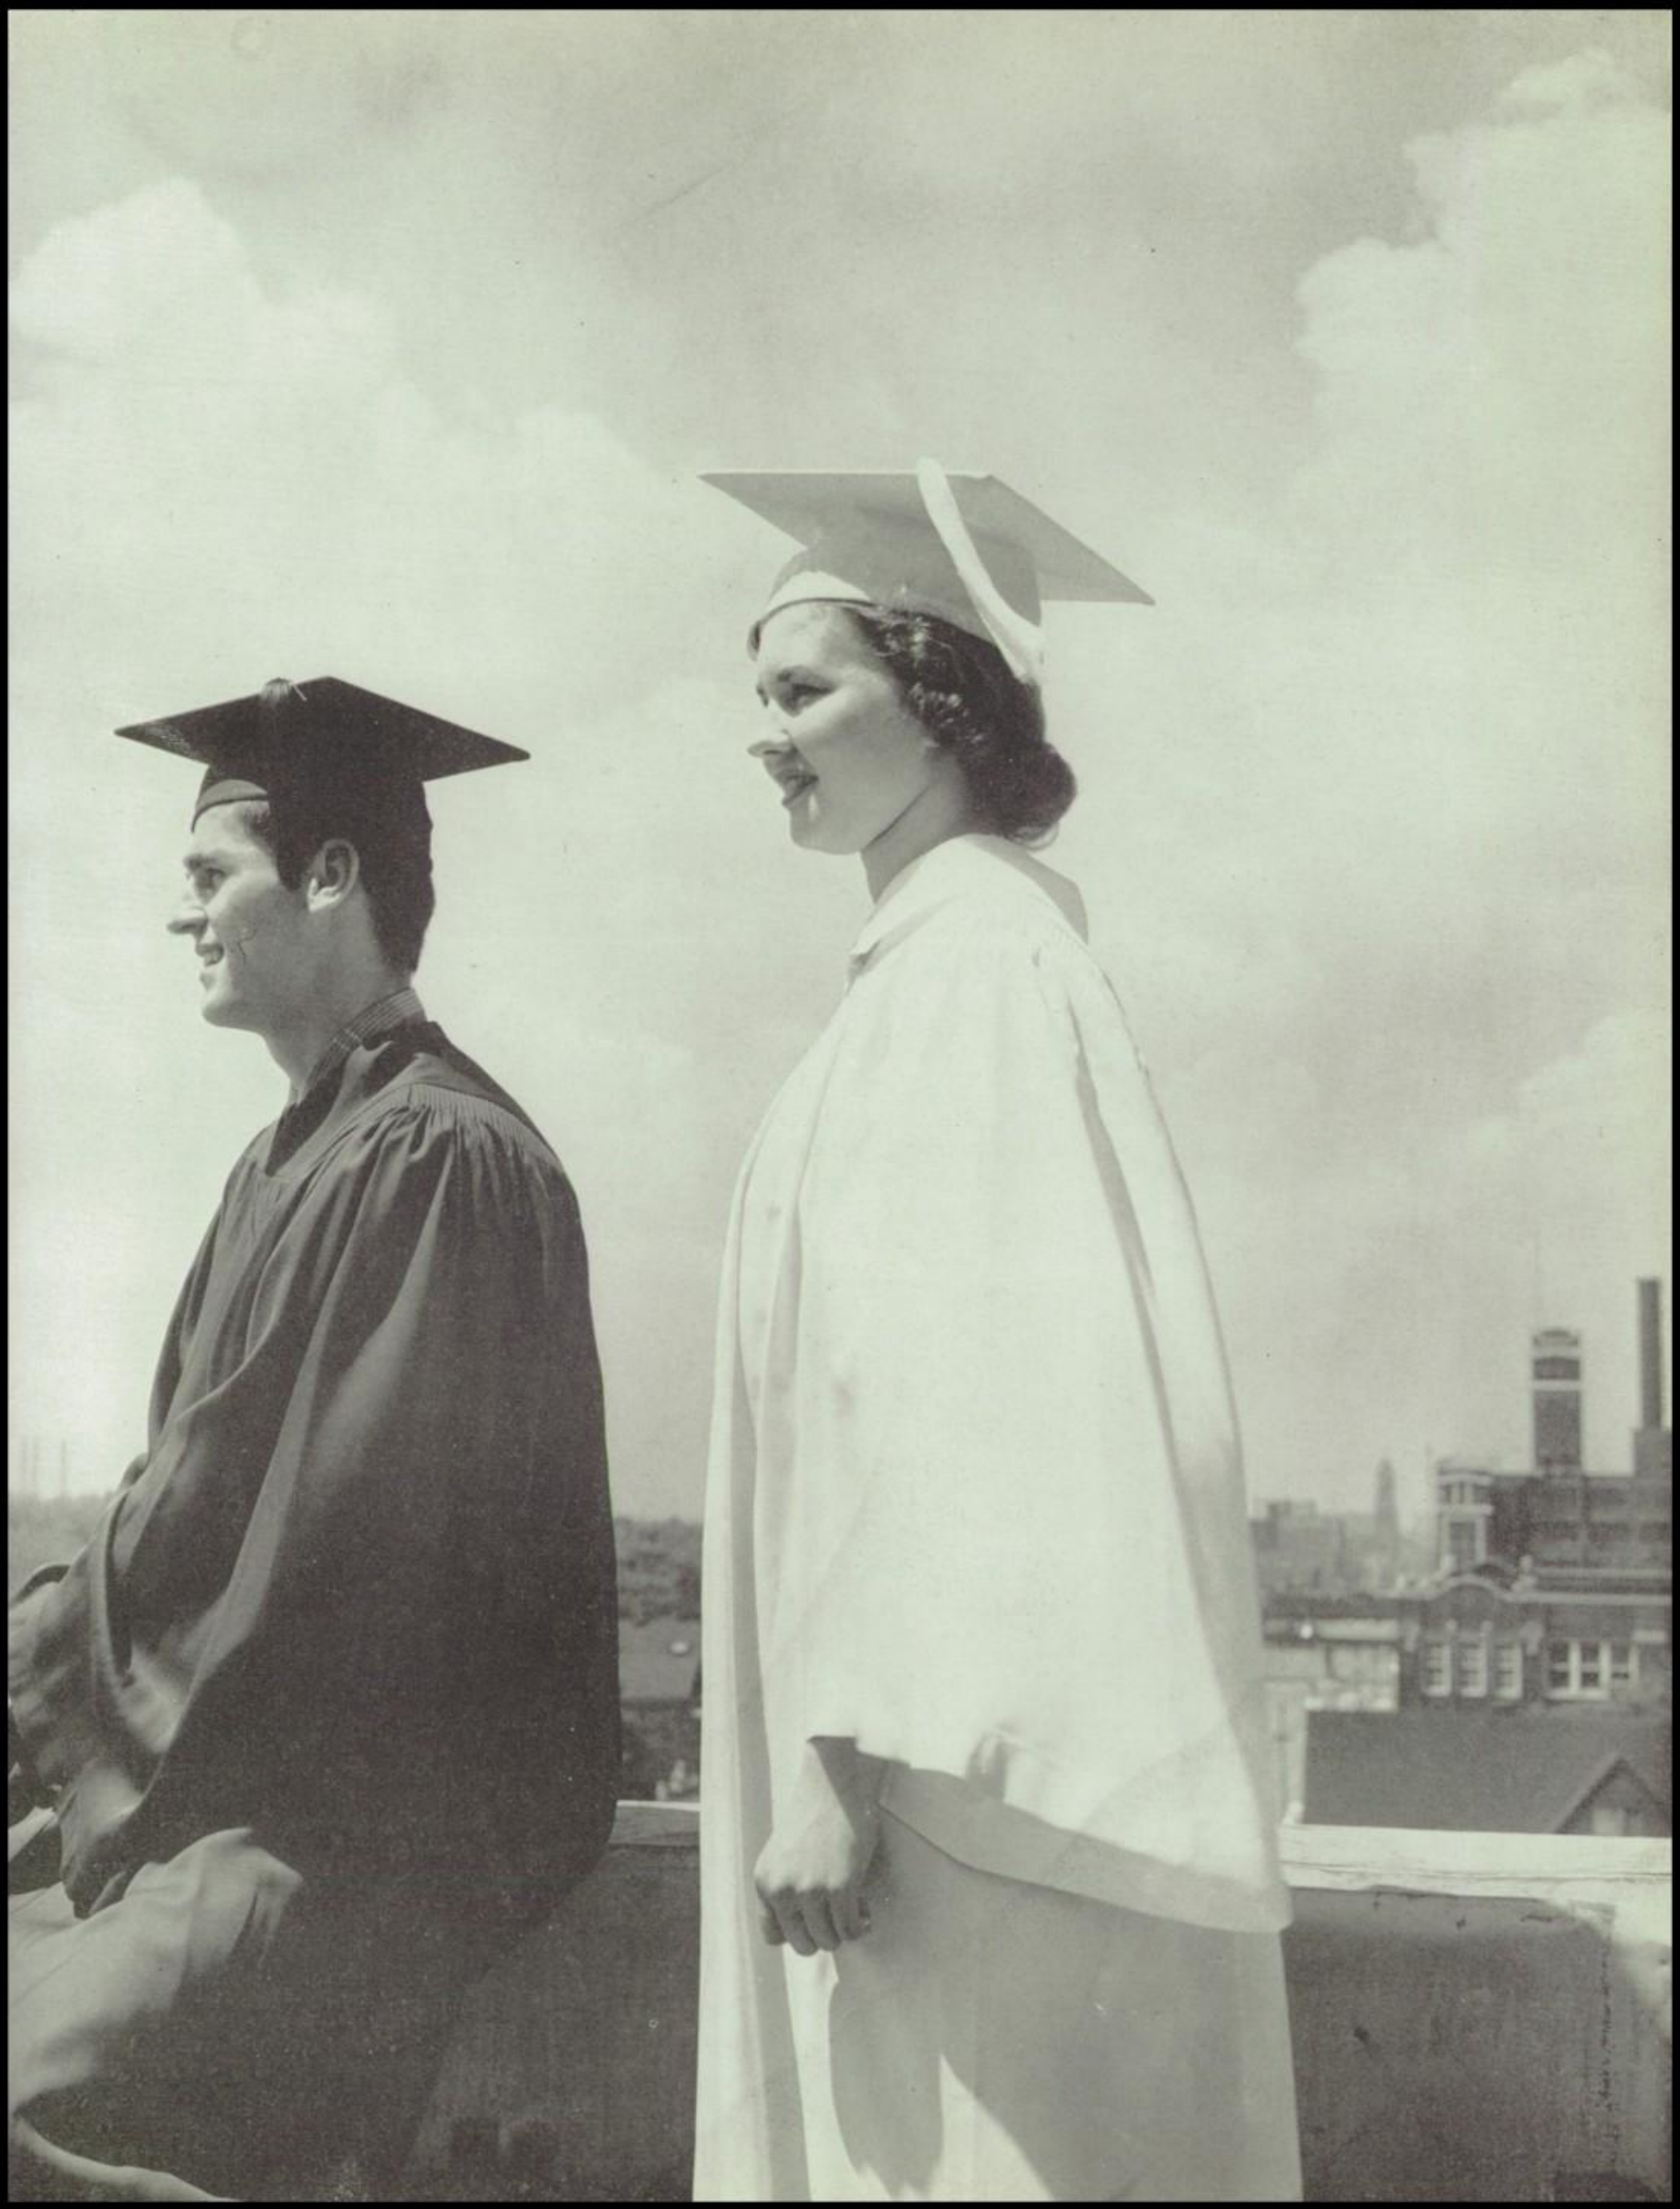
Judy Cohen

The doors of Lake View open and another group of students go forth into the community, leaving behind them four years of homework papers, noisy classrooms, and hard work, taking with them four years of knowledge, growth, and invaluable experience.

We believe that all of them, in some way, will help build a better world. We hope they have the courage to face the inevitable trials of the years ahead, and make their way to a satisfying, productive life. We hope that their four years at Lake View have helped them to do this.

Graduates: Robert Stopa and Joanne Neustrom.

Graduates



Graduation—The Key to the Future

The school auditorium assumes an impressive air that it seems to reserve for this special night of graduation. Under the skillful management and untiring efforts of Mrs. Clauson, the performance of this night will be flawless.

The lights dim as the beautifully groomed and gowned Graduation Aides emerge to lead the processional. Now the measured beat of Pomp and Circumstance, and the graduates in their caps and gowns come to seek their places for their last appearance in the school auditorium.

On the stage the speeches, class awards, and the farewell gift to Lake View are presented. Mr. Boyd, though he has officiated at numerous graduations, somehow makes each class feel as though they are a special group and he is loathe to see them leave. A firm handclasp, and the coveted diploma is theirs. In the audience everyone breathes a prayer that the graduates' venture into the world as adults will be a happy and a successful one.

Dinner Dance Delights Departing Seniors

DINNER DANCE

The Dinner Dance is a social event not easily forgotten by the January graduating class, for this is a dance only for our graduates. Soft lights, sweet music, and the beautiful setting of Algauer's Fireside set the mood for an evening of fun and excitement. As the evening began, we can hear Don Bonnem giving the opening address followed by a prayer and small speech by Mr. Boyd. As things got under way, and the fried chicken was ably taken care of, Walter Flexchig and his band took over . . . and away went our seniors on a night long to be remembered. Mr. Flexchig and his band weren't the only ones making music that evening, for our seniors contributed to the festivities with a lusty song fest. A truly wonderful time was had by all.

I wonder when we're going to eat?

Look at the group at that table.

Are they staring at us?

So great is the importance of advertising to society that words cannot express it properly. As Americans, we have a much more enriched and fruitful economy than any other people in the world through advertising. Every day new products and new ideas come into existence for our daily use and benefit.

The Red and White certainly realizes the significance of advertising; therefore, Lake View is grateful to the patrons who are kind enough to place their ads in our annual.

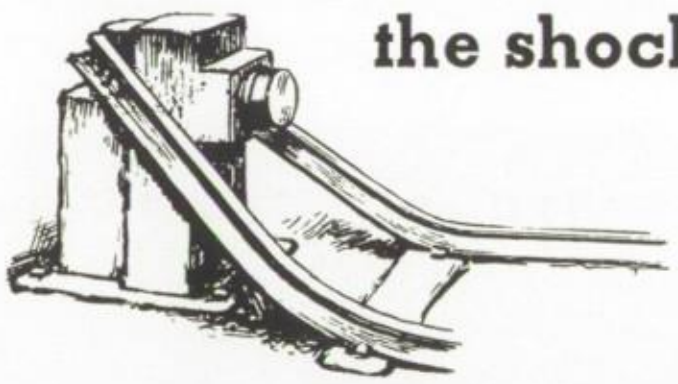
How you can cushion the shock



When you step from the ordered routine of your high school curriculum to the hurly-burly of the market place, there are bound to be moments of doubt and indecision. Being on your own may prove more of a shock than you had anticipated. But of one thing you can be certain. Rough roads are made smoother for the boy or girl equipped with reliable shock absorbers. One of these is, money in the bank. Money is not an end in itself, but the ability to save, is one of the first tests of competence every graduate must face sooner or later. Do not delay in setting up your savings program until you are earning more money. Once you learn to deposit a part of every dollar you receive, you will have acquired a habit which will cushion most of the shocks for which you are otherwise unprepared. We are here to help you. Start today and keep everlastingly at it.

LAKE VIEW HI-C CLUB BASKETBALL TEAM
1956-57

The Lake View Hi-C Club Basketball Team placed second in the north division. They won six games while losing one. Above are the team members being presented with trophies from their coach and also the North Side Supervisor of the Hi-C Clubs George Rice. From left to right we have: Mike Lagattuta, Ronald Cummingham, Alan Grimshaw, Coach George Rice, Jim Moore and James Malouf. Other Members of the team were Earl Sutton, Charles Smolk, Robert Woefle and Joseph Messino.

"Make a joyful noise unto the Lord. Serve the Lord with gladness."
— Psalms 100:1, 2.

This ad is sponsored by the Lake View Hi-C Club. Members of the club cordially invite everyone who attends Lake View High School to be a member. The club meets on Tuesday nights at 7:45 P.M. at Fellowship Hall at 3600 Magnolia. Hi-C's purpose is to promote Christian living among the students at Lake View. We hope you will visit us soon. Thank you.

Kenny,
Lots of Luck
to a real swell
guy. Always stay
as nice as you
are and you will
really go far.
Best Wishes

Dear Ken
You know I wish you
the best of luck in anything you do.
You're great and I love ya. Watch that
pitching arm this summer and take it
easy with the girls. Don't forget our date!!
I hope we have some classes together next
semester! Good luck and all that. See ya
soon.
Love 'n Stuff,
Diane (Brown)

Dear Ken, "1957"
I wish you the
best of luck with
Wilner "Babe". I hope
you'll remember
the great times
We've had.
Love + kisses

Dear Kenny,
I'm afraid you lost
your bet. But don't worry.
Good luck always
